President's Message

From the Pres:

This is quickie remember that our upcoming meeting of March 16, 2020 will be our Brewery Tour. Ritchar (HTU) Steve (ZYN) and myself met with Rob Richardson of Public Health Unit of Wellington-Dufferin-Guelph, on February 26, 2020, regarding installing a GARC EmCom Station on site. I will update the membership at our next General Meeting.

March 16th, 2020 @ 7 pm

Thanks to Wes for the photo at the fire hall. The elections are coming up in April. Please consider taking a position on a club committee or on the executive. The club website, www.garc.ca, is excellent thanks to the contribution of time, skills and resources by Phil, VA3QR. This site will likely quickly take over from the newsletter for internet communication with our members. As always, your ideas, articles and photos are appreciated.

Ron Webb VE3WBE
