Treasurers report:

Don (SWL) was not available at the time of the report. Bank statements will be mailed to Don (SWL). We haven't spent any money.

Community Events:

VE3SFW says nothing to report on community events. VE3CZ has been in touch with Hammond and her and VE3FE will be able to access the station for November 11th for Remembrance Day. VE3CZ is also encouraging everyone to use VA3IFF previous to the day, and such activity must be scheduled through VE3CZ.

Presentation: Patrick, K&7ZSU gave a presentation on Geochron Clocks.

QSL manager: Nothing reported.

Repeaters/Repairs: VE3JVC will be going to VE3ZMG to change the feedline to see if that makes a difference.

Club nets: VA3ZXN will be doing the net next week.

Technical: Nothing to report.

RAC: VA3QR reports that the Basic and Advanced courses are starting shortly.

President's Report: VE3SLD reports that the soonest that we're going to have in-person meetings will be January 2022. We'll need guidance from the Province, and Don (SWL) is looking for a new venue for us to meet. Costs are a concern – especially since we've missed 2 consecutive flea markets. We are aiming to do Field Day 2022, and are aiming to host the Central Ontario Hamfest in 2022 as well. VE3SLD is the current club contact until and unless another volunteer can step forward.

VA3QR moved and VE3FE seconded to adjourn the meeting, which was adjourned at 8:24PM ET.
